

怡信 12 及 13 小巴服務諮詢

怡信專線小巴有限公司經營本區第 12 及 13 號小巴，服務質素長年為居民詬病，鑒於近日兩綫醞釀削減服務，現特此詢問對各位街坊之意見。

是次網上問卷調查由西區交通專頁主辦，蒙「守護堅城」專頁及民主黨香港島支部提供支援，特此鳴謝。

Many Western District residents have to rely on Green Minibus routes 12 and 13 (operated by I Sun Minibus Co Ltd) despite the poor service performance that has persisted for many years. We would like to solicit your views on the service provided by these two routes in view of the operator's recent decision of service reduction.

This online survey is conducted by "Western District Transport" Facebook page, with kind support from "Protect Kennedy Town" and DPHK Island Branch.
